A comparable unit we are aware of is the Tennant T7.

We are also requesting a trade-in credit of our current unit. This will be an optional price and we may not trade in the unit. If we trade in the unit, the bidder will be responsible for pick-up of the unit. Specifications of the current unit are:

Tennant 6100b sweeper/vacuum
Purchased new in 2018
Hours: 600
Reference Attachment A for pictures of the unit

If you would like to view the unit in person, contact Brandon LaMaide at 920-225-1978.

The specifications referenced require the doing of all things necessary, proper for, or incidental to the furnishing of said unit. All items of design and equipment not listed in these specifications, but involved in carrying out their intent, are required to be furnished by the vendor, the same as if these items were specifically mentioned and described in these specifications. Manufacturer's standard equipment on all components of unit shall be included with this bid even though they may not be formally called out in these specifications.

The fact that we may specify a manufacturer and model is not meant to limit acceptable units; rather it is a means to establish a minimum level of acceptable quality. You may bid any manufacturer and model as long as the floor scrubber is equal to or exceed the required specifications. Outagamie County will be the sole judge of equivalency.

If a unit bid is different than the Tennant T7, the vendor must include detailed specifications and information on the unit bid. The vendor must also provide a comparison of the specifications of the unit specified vs bid. For example information such as "The estimated run

time on the specified unit is 4.5 hours, the estimated run time on the unit bid is ____". Failure to provide this comparison will result in the rejection of your bid.

Pricing must include deliver to Brewster Village located at 3300 W Brewster St in Appleton, WI.

The bidder must be an authorized dealer for the brand of floor scrubber bid and the unit must come with a full manufacturer's warranty. The bidder (not another company) must provide onsite warranty service on the unit bid.

2.0 Bid Submittal and Requirements

- Completed Bid Form.
- Deviation from requested specifications.
- Brochure / sales literature on the exact unit you are bidding if different then the Tennant T7 unit specified. If you are providing information on a product line, clearly note on the literature which line you are bidding.
- Pricing on your standard quote form which references the unit and features.

Failure to provide all requested information may result in the rejection of your bid.
