

ADDENDUM #2
Lighting and Camera System at Plamann Park

To All Bidders:

Identified below are clarifications and additions to the original RFB and are hereby made part of the bid documents as fully and completely as if the same were fully set forth therein.

- Addendum 2 cover fiber splicing. Each cabinet location will have at least a 6-strand fiber terminated inside the cabinet; a few locations will have more. Given there are 26 outdoor enclosures and 3 hub locations, that would be a minimum of at least 468 single fiber splices in all locations total.

Reference the following updated documents for Addendum 2:

- Special Provisions – Information on the splicing under Camera System Information, marked as “Addendum 2 – May 21, 2025”.
- Unit Price Bid Schedule – The addition of the fiber splicing is in red. This bid schedule is marked as “Addendum 2 – May 21, 2025”

Bidder must acknowledge Addendum #2 on the bid form. Failure to do so, may result in the rejection of your bid.

Issued:

May 21, 2025
