FOR IMMEDIATE RELEASE:

Outagamie County Public Health Announces Immunization Clinics Schedule

Outagamie County, WI – July 2023

Outagamie County Public Health will host immunization clinics in August and September. Call (920) 832-5100 to schedule an appointment.

Tuesday, August 8	Outagamie County Public Health Office 320 S. Walnut St., Appleton, WI (Level 3)	Appointments between 4:00 p.m. and 6:00 p.m.
Tuesday, September 12	Outagamie County Public Health Office 320 S. Walnut St., Appleton, WI (Level 3)	Appointments between 4:00 p.m. and 6:00 p.m.

These clinics offer vaccines to people eligible under the Vaccines for Children program. Under this program, your child is eligible if they:

- are enrolled or eligible for Medicaid,
- are American Indian or Alaska Native,
- don't have health insurance,
- have health insurance that doesn't pay for all vaccines,
- or insurance doesn't provide full coverage for vaccines.

A parent or legal guardian must come with children under 18 to the appointment. Please bring immunization records with you to your appointment. Also, have your child eat about an hour before the appointment and stay hydrated with water.

Please contact us at the number above with any questions.
