**TREASURER'S OFFICE REAL ESTATE TAX PAYMENT
AUTOMATIC DEDUCTION AUTHORIZATION FORM**

I authorize the Outagamie County Treasurer's Office to deduct a monthly Real Estate tax payment from my checking or savings account on the 10th and/or 25th of each month. If the 10th or 25th of the month falls on a weekend or a holiday, the payment will be deducted on the business day **before** the 10th or 25th. I understand that I will need to have sufficient funds in my account to cover the payment. If funds are not available, I understand that my payment will be reversed and I will be liable for charges from my bank. If 3 payments are returned within one year I will be removed from the program. Outagamie County Treasurer's Office will apply my payment to the oldest year first.

If at any time I decide to discontinue this payment service or modify the amount deducted, ***I will notify the Treasurer's Office by phone or in writing by the 5th or 20th of the month.***
