

TRAUMA TRAINING

We believe that caregivers play a vital role in a child's recovery and resiliency from trauma. Join us for a FREE 8 hour workshop and learn how to care for children who have experienced trauma.

Dates:

Thursdays - July 9th, 16th, 23rd and 30th

Time:

5:00-7:00 PM

dinner provided with RSVP

Location:

Appleton Police Department
Lower Level Training Room
222 S Walnut St
Appleton, WI 54911

** Must attend all dates to
receive training hours/certificate **

TRAINING OBJECTIVES:

- Increase knowledge and beliefs related to trauma-informed parenting
- Learn to view children's behaviors through the lens of their difficult past experiences and respond to challenging behaviors and emotions in a way that promotes healing
- Increase ability to tolerate challenging behaviors and maintain stable placements for children in foster, adoptive and kinship care
- Increase feelings of efficacy about ability to parent a child who has experienced trauma
- Become more aware of the importance of self-care and connect with other caregivers in a support network

E-mail HHSFoster@outagamie.gov to RSVP by July 6th
